B. Adding funds and using the Card Funds can be loaded via transfer from cards or Mobile Money.

When the Card is used to obtain goods or services or to obtain cash, the merchant may attempt to obtain preauthorization from the Card for the transaction. A three (3) business day hold may be placed on the Card for the amount of the preauthorization request. Certain types of transactions (like hotels and airlines) may have a 15-business day hold. If the preauthorization request amount varies from the actual transaction post amount, the preauthorization hold amount may remain on the Card until the required number of days expires. As a result, subsequent preauthorization requests against the hold amount may cause the transaction to be declined. A preauthorization amount may differ from the actual transaction post amount if the final amount of the transaction is unknown, such as when dispensing fuel or adding a tip at a restaurant. You may not make or schedule pre-authorized, regular payments with the Card.

E. Card Expiration Subject to applicable law, you may use the Card only through its expiration date, which will be displayed to you the time of card creation. If you attempt to use the Card or add funds to your Card Account after the expiration date, the transactions may not be processed. If there is a balance remaining in your Card Account upon expiration, a new Card may be issued to you. You must activate any newly issued Card in order to access the funds in your Card Account. If we choose not to issue a new Card to you or if we cancel your Card Account for any reason, we will attempt to refund to you the balance remaining in your Card less any amounts owed to us (e.g., fees and charges).

E. Card Termination If you do not use your card for a period of six (6) months, the card will be terminated and we will attempt to refund to you the balance remaining in your Card less any amounts owed to us (e.g., fees and charges).

Using your card or the app for any illegal or unauthorized use, or on any illegal or unauthorized platform will lead to instant termination of your card. Notwithstanding, this does not exclude any other actions or remedies we may take against you.

You can also terminate your card voluntarily by deleting the card from the application. Once your card is terminated, whether by us or by you, we will attempt to refund to you the balance remaining in your Card less any amounts owed to us (e.g., fees and charges).

Section V. Payment

If there is still a negative balance after fifteen (15) business days, we reserve the right to permanently close the card.

A. Our Fees

Subject to these terms and conditions and to any other liabilities or charges that may arise in the course of your transactions or depending on your location and the nature or currency of your transaction, or from our partners or third party provider, all applicable fees will be displayed on the app at the time of the transaction.

Section VI. Issuer's Liability for Failure to Complete Transactions

- We have blocked or restricted card usage at certain merchants and/or locations.

Section VII. Unclaimed Funds

The balance remaining on the Card may become unclaimed funds escheatable to the state, if, as shown by our record, you have not, within the applicable statutory period, requested refund of unused funds on the expired or cancelled Card, corresponded with us concerning the Card, or transacted any business on the Card. If that occurs, the funds will escheat to the appropriate wallet on Cash-Me.

Section VIII. Unauthorized Transfers

If we decide to do this, we will credit the funds within ten (10) business days for the amount you think is in error and you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint in writing and we do not receive it within ten (10) business days, we may not credit you. We will tell you the results within three (3) business days after completing our investigation. You may ask for copies of the documents that we used in our investigation.

Section X. Visa Zero Liability Policy

You will not be held liable for unauthorized purchases made with your Card. You must notify us immediately of any unauthorized use.

Section XII. Disclosure of Information to Third Parties

Information about the Card or Card transactions may be disclosed to and by third parties on our behalf only:

Section XIII. Legal Actions Affecting Your Card or Card Account

If we are served with a subpoena, restraining order, writ of attachment or execution, levy, garnishment, search warrant, or similar order relating to the Card or Card Account, we will comply with that legal action. Or, in our discretion, we may freeze the assets on the Card or Card Account and not allow any payments out of the Card or Card Account until a final court determination regarding the legal action is received. In such cases, we will not have any liability to you if there are insufficient funds on the Card or in any way restrict access to your funds in accordance with the legal action.

General

We may revise these Terms from time to time without notice. The changes will not be retroactive, and the most current version of the Terms will govern our relationship with you. We will also try to notify you of any material changes via the email
